WIRELESS DOORBELL APPLICATION FORM

The strata committee have resolved at the Strata Committee Meeting held on 18 November 2021 to allow owners to install a wireless doorbell next to the front door of the apartment if requested. The application is subject to Building Management approval and several conditions must be met which will be outlined in this form.

We ask that owners read and understand this form prior to submitting for approval.

Should works be undertaken without approval or in contradiction of the approved application, the doorbell will be removed by Building Management.

APPLICATION PROCESS

- 1) Complete the below application form answering all questions.

PLEASE NOTE INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED. PLEASE DO NOT SUBMIT APPLICATIONS THAT ARE INCOMPLETE.

- 2) Lodge your application and all accompanying information with Building Management by forwarding (email preferred) all documents to management@embassystleonards.com.au.

THE APPROVAL PROCESS

- 3) Once your completed application has been received and reviewed by Building Management, you will be notified with confirmation of approval by the Building Management.

ONCE APPROVED

- 4) Building Management will complete a final inspection of the installed Doorbell to ensure it has been installed as per the application.
